PROFESSIONAL SUMMARY

Detail-oriented UI/UX Designer with an MCA background and experience in user flows, wireframing, high-fidelity UI design, and interactive prototyping. Skilled in creating mobile-first, responsive web and mobile interfaces with a focus on usability, visual hierarchy, and design consistency. Proficient in Figma, Adobe Photoshop, Adobe Illustrator, and Lucidchart, with experience in developer handoff, design systems, and cross-functional collaboration.

EXPERIENCE

NxtWave Disruptive Technologies Pvt. Ltd.

Hyderabad, Telangana

Presentation Designer Intern | UI/UX & Visual Design

Nov 2025 – Apr 2026

- Designed user-centric learning interfaces, layouts, and presentation screens using UI/UX principles, visual hierarchy, and storytelling to improve learner engagement across 10+ modules.
- Built structured layouts, user flows, and wireframes using **Lucidchart**, reducing review cycles and improving content usability by 30%.
- Developed reusable visual components, including icons, banners, and illustrations, ensuring design consistency and cross-device responsiveness across deliverables.
- Collaborated with cross-functional teams (developers, content writers, product managers) to translate design concepts into clear, functional, production-ready outputs.
- Leveraged **AI-powered tools** to automate and optimize content workflows, **improving production efficiency by up to 5x**.

PROJECTS

Meow Dorsey Fashion E-commerce UI Design | Figma, Adobe Photoshop, Illustrator, UI/UX

- Designed a modern anime-inspired e-commerce interface using **color theory, typography, and visual hierarchy** to create a brand-consistent user experience.
- Created **user flows, wireframes, and high-fidelity UI screens** for 8+ key pages, including home, product listing, product detail, cart, and checkout.
- Built interactive **Figma prototypes** demonstrating product browsing, navigation flow, and conversion-focused user interactions.
- Designed visual assets and branding elements using **Adobe Photoshop and Illustrator** to maintain consistency across screens.

Responsive Portfolio Website | HTML5, CSS3, JavaScript, Vercel

- Designed and developed a responsive personal portfolio website with a clean, mobile-friendly user experience to showcase projects, skills, and profile information.
- Implemented semantic HTML5, CSS3 Flexbox, CSS Grid, and JavaScript to ensure responsive layouts, cross-browser compatibility, and optimized performance.

EDUCATION

Andhra University

Nov 2022 – Sep 2024

Master of Computer Applications (MCA)

Visakhapatnam, India

- Relevant Coursework:** Web Technologies, Software Engineering, Database Management Systems, Data Structures, AI/ML, Operating Systems

TSR & TBK Degree College

Jun 2018 – Sep 2021

Bachelor of Science (B.Sc)

Visakhapatnam, India
